LuxuRay

ECA3192-BS

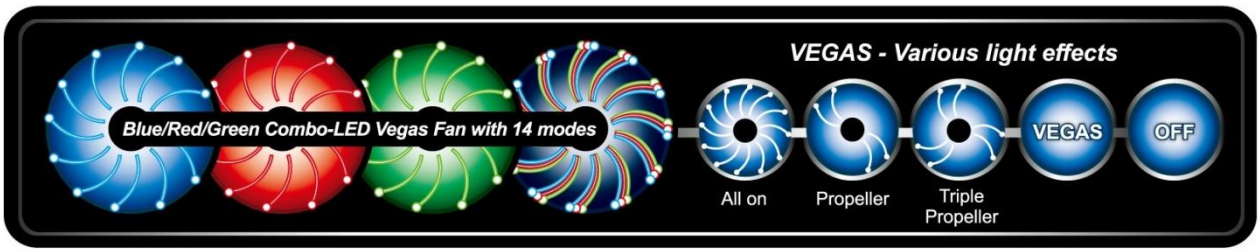
With Top & Rear 120mm Blue LED Fans

New Stylish Mid Tower Case from ENERMAX

City of Industry, CA – October 25, 2010

ENERMAX is pleased to announce the launch of LuxuRay, a sleek design mid tower with colorful illumination for today's gamer and enthusiast who seek beyond the ordinary.

Beside its high-glossy front acrylic bezel, it also features a special 12cm Blue/Red/Green Combo Vegas LED fan with 14 LED modes.



LED modes can be easily changed from the switch on the front panel to create different lighting effects.

LuxuRay has all the states of art features such as: tool-less bays, bottom-mounted PSU position with anti-dust filter, cut-outs on the MB tray, water cooling cutouts on the rear, and black interior coating.

MSRP (ECA3192-BS) is US$69, available in November 2010.
